

Türkiye For Education

Türkiye is one of the two countries which have lands both in Asia and Europe. This enables Türkiye to reflect diverse cultures and experiences. Its cultural richness and diversity was shaped by its deep historical roots, cultures and beliefs in Middle East, Anatolia and Balkans.

Throughout the history, Anatolia, where Türkiye is located, has been the center of several civilizations since ancient times. Türkiye has its own unique social and cultural characteristics such as cuisine, music, arts, literature and architecture.

Modern Türkiye was founded in 1923. Since then, Türkiye has strong historical and cultural ties with its neighbors and in its region. So far, Türkiye has been playing an active role and set an example spreading democracy, interfaith dialogue and cultural understanding in this region, as a way to building cooperation and bringing peace and development to the region.

Modern Türkiye has a robust economy, a dynamic open society and an advanced democracy. Within the last decade, Türkiye has achieved remarkable economic growth and substantial progress in political and social fields. Türkiye is one of the fastest growing economies the World and now the 6th largest economy in the Europe and 16th largest economy in world.

Furthermore, Türkiye seeks also more active role in regional and global developments while staying fully committed the EU full membership process. As a leading democracy in Middle East and Europe, Türkiye represents and promotes universal values, human rights, dialogue, cooperation and parthnership in the region, as a fundamental principle of Turkish Foreign Policy of "Peace At Home and Peace in The World."
